

BRUSCO®

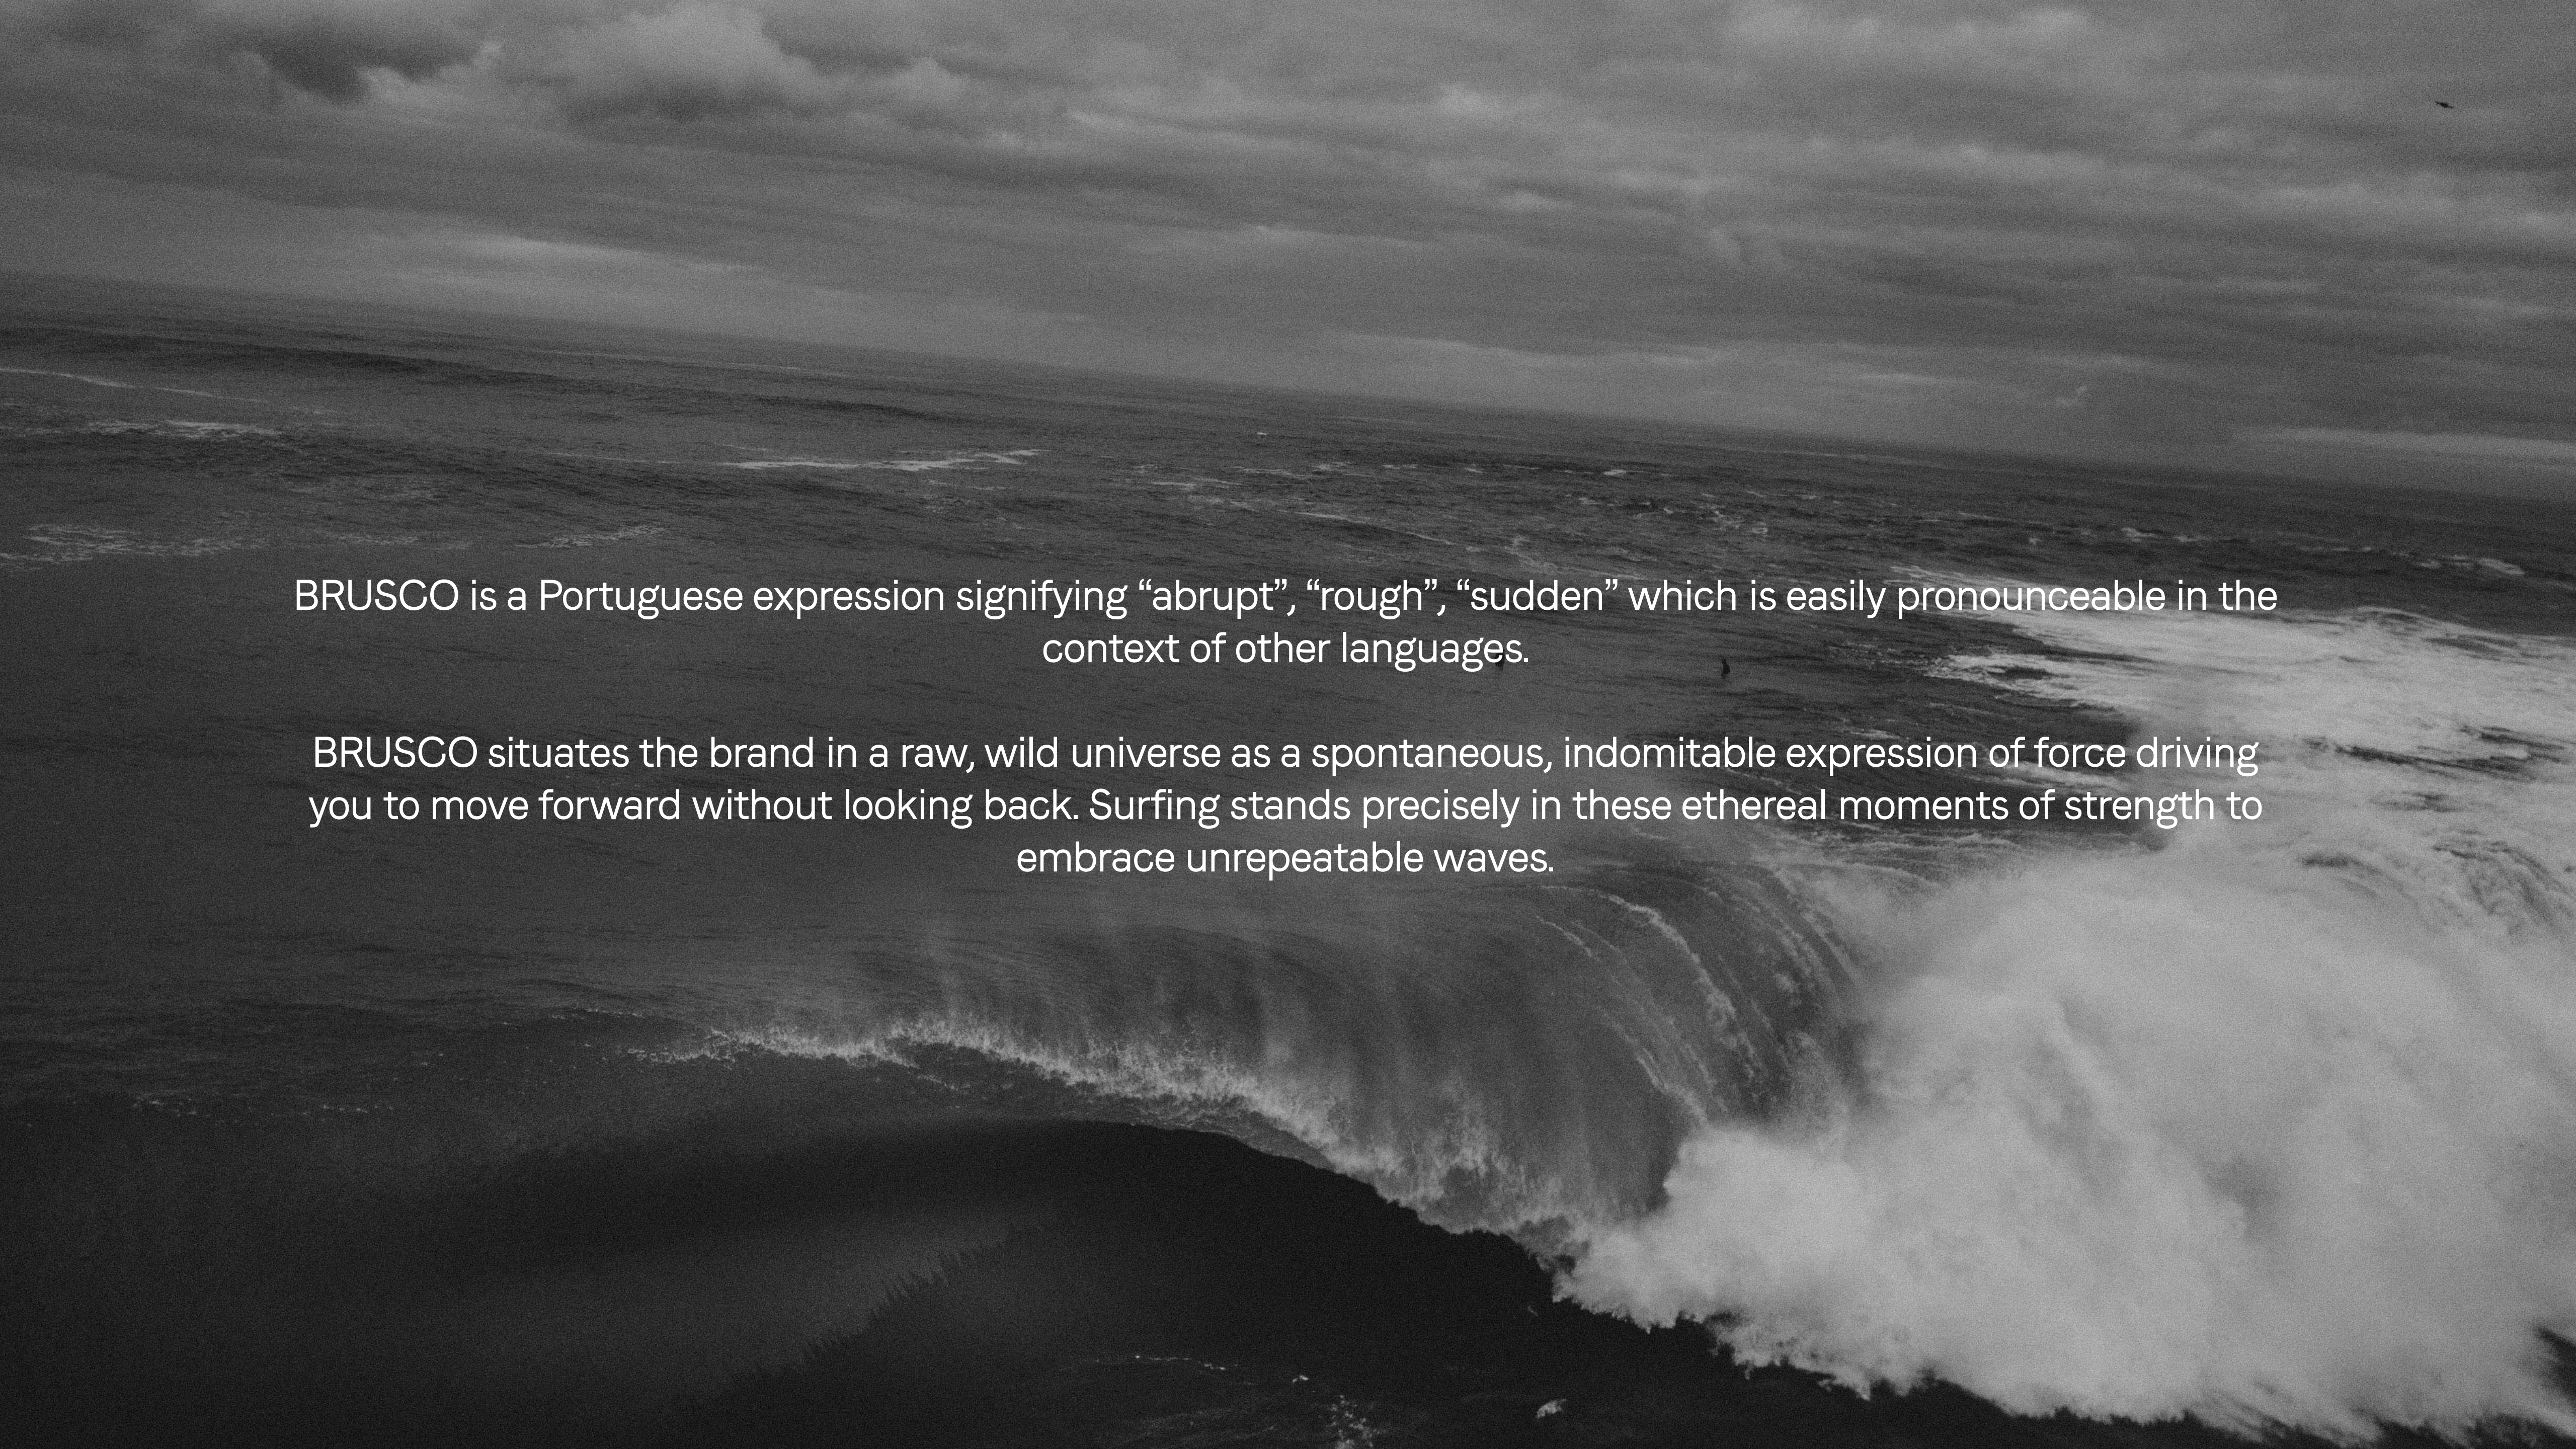

THE ATLANTIC RAWNESS

CRITICAL SURF GEAR

BRUSCO is inspired by adversity and created for the surfers who embrace it. For those facing waves of cold, wind and monsters in a quest to find the truest form of happiness.

Framed by the Atlantic and capturing its genuine rawness, BRUSCO is for the fearless who move forward without looking back.

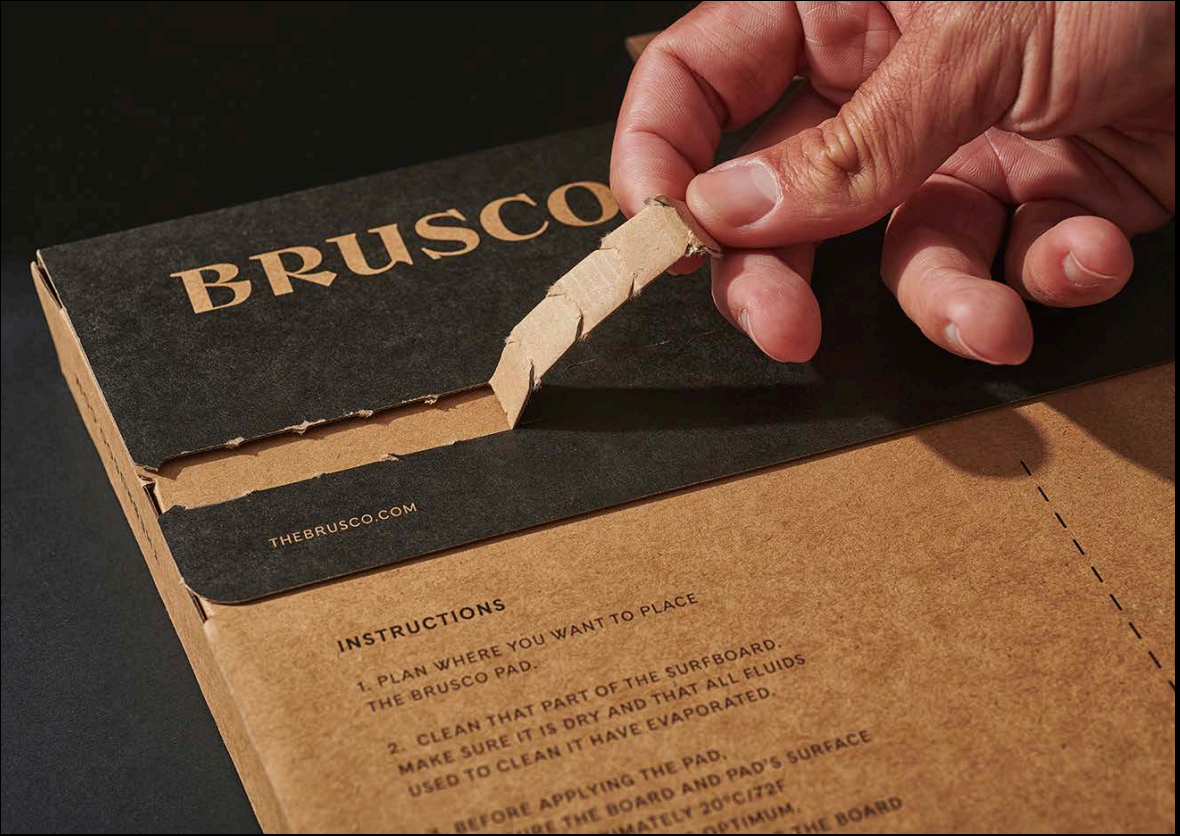

BRUSCO is a Portuguese expression signifying “abrupt”, “rough”, “sudden” which is easily pronounceable in the context of other languages.

BRUSCO situates the brand in a raw, wild universe as a spontaneous, indomitable expression of force driving you to move forward without looking back. Surfing stands precisely in these ethereal moments of strength to embrace unrepeatable waves.

BRUSCO WAS INSPIRED BY, PLANNED FOR AND TESTED IN THE OCEAN.
AND SO, WE OWE IT TO THE OCEAN TO PRESERVE IT. TO OVERCOME OURSELVES IN IT,
WE HAVE TO OVERCOME OURSELVES OUTSIDE OF IT.
NO SINGLE-USE PLASTICS IN OUR PACKAGING AND A PLEDGE TO DEVELOP EVER
GREENER PRODUCTS IN AN INNOVATIVE WAY. IT IS THE BEGINNING OF A
COMMITMENT THAT WILL ENDURE AS LONG AS BRUSCO DOES.

DRYBAG BACKPACKS

BRUSCO

A close-up photograph of a person's hand holding a black, textured backpack strap. The hand is positioned in the lower right quadrant of the frame. The strap is thick and has a woven texture. The word "BRUSCO" is printed in white, bold, sans-serif capital letters on a small, lighter-colored rectangular patch on the strap. The background is dark and out of focus, showing the contours of a backpack.
